

Butterflies and Moths in the Yorkshire Dales

Saturday 21st April 2007, 10.00am - 15.30pm
Dales Countryside Museum, Hawes

A one day conference organised by Butterfly Conservation and the Yorkshire Dales National Park Authority, on behalf of the Yorkshire Dales Butterfly and Moth Action Group. Includes talks on the Northern Brown Argus, Small Pearl-bordered Fritillary and Dark Green Fritillary and an opportunity to discuss proposals for future recording, monitoring and conservation activities
